Page 1 28645-G01 OWNER’S MANUAL & SERVICE GUIDE ELECTRIC POWERED FLEET GOLF CARS & PERSONAL VEHICLES REVISED: 03/30/05... SAFETY For any questions on material contained in this manual, contact an authorized representative for clarification. Read and understand all labels located on the vehicle. Always replace any damaged or missing labels. On steep hills it is possible for vehicles to coast at greater than normal speeds encountered on a flat surface. To pre- vent loss of vehicle control and possible serious injury, speeds should be limited to no more than the maximum speed on level ground. SAFETY INFORMATION This manual has been designed to assist in maintaining the vehicle in accordance with procedures developed by the manufacturer. Adherence to these procedures and troubleshooting tips will ensure the best possible service from the product. To reduce the chance of personal injury or property damage, the following must be carefully observed: Certain replacement parts can be used independently and/or in combination with other accessories to modify an E-Z- GO-manufactured vehicle to permit the vehicle to operate at or in excess of 20mph. SAFETY INFORMATION Standards of the United States of America (USA) and are not equipped for operation on public streets. Some commu- nities may permit these vehicles to be operated on their streets on a limited basis and in accordance with local ordi- nances. Page 11 SAFETY INFORMATION battery terminals or associated wiring. Remove the batteries or cover exposed terminals with an insulating material. • Check the polarity of each battery terminal and be sure to rewire the batteries correctly. • Use specified replacement parts. Never use replacement parts of lesser quality. •... Page 12 SAFETY INFORMATION Notes: Owner’s Manual and Service Guide Page x...
